Treasurer report- Alicia Lippay

We have enough surplus funds from 2017-18 budget to purchase courtyard benches as per Mr. Craver's request

Spring Carnival- made just under \$1,200.00, went well even though rock wall contractor cancelled last minute

President-Nicole Carey

Reviewed fundraiser vote:

Results for 2 big fund raisers and smaller fund raisers

-Big fund raisers:

-Fun Run/Booster A Thon-proposed by Mr. Craver, will meet with representatives from company that organizes/runs the Fun Run, will have pep rally to boost interest, proposed 30 minutes/30 laps, kids try to get pledges, goal of \$50/child raised, Cuccinella had raised \$17K, there are different levels of participation from the school which impact how much money the school keeps vs. what percentage the organizing company takes, \$2K minimum base cost for the company, still debating whether all proceeds raised will go to "technology effort"

-Tricky Tray

-Smaller fund raisers:

-Book Fair-will have to decide if this will be a fund raiser vs. source for Scholastic Points; library needs Scholastic Points to order books

-Silver Graphics

-Bunco Night

-Mother/Son//Father/Daughter event

-Thanks to previous year's fund raisers that won't be returning in the upcoming year-KidStuff, Ort Pies, Family Portraits, Hershey Park, Silver Birch

-Member asked if Hershey Park could be kept on as a Service instead of Fund Raiser, will be considered
