IvyMath

[IvyMath](#) is providing all Flocktown Kossmann Elementary families with a free online math tutoring session and an in-depth parent conference to discuss your child's strengths and weaknesses and how they compare to grade level.

IvyMath will also create a custom learning plan that maps out the exact areas your child should be focusing on in math. You'll have the opportunity to ask questions, and understand what your child needs to feel confident and stay on track in math this year.

The IvyMath tutoring session, parent conference, and learning plan are free for all Flocktown Kossmann Elementary families. Popular times fill up, so please register quickly! **Signup now at:** [IvyMath.com/Boost](https://www.IvyMath.com/Boost)
