“All are welcome here!”

This year we are asking participants to purchase and read the book as a family at home *prior to attending the event*. This book is a wonderful read aloud for children and adults of all ages.

Grownups, read it aloud together as a family to children of all ages!

Wishtree is available on Amazon.

An “easy read” with a powerful message that will fuel an inspiring evening!

All families must register for this event by emailing Lexis McCoy by 11/19 at lexismccoy@aol.com

Please make the topic of your email FK Book Club and include:

- Number of adults
- Number of children
- Food allergies so we can be inclusive for our snack
- Flocktown/Kossmann alumni are welcome because “All are welcome here!”
